WEDDINGS & CEREMONIES

ANYTIME. ANYWHERE

Audio To-Go DJ Service's core specialty is and always has been performing flawlessly at Weddings.

Exclusive Online Client Website:

- **Planning Form:** Here is where you input Bridal Party information, location of event, what the special dances will be, and other basic info.
- **Event Timeline:** An area to list when key events of the night are going to occur. I know you won't be keeping an eye on the clock on your Big Day, but it gives us an idea of the "flow" for your Reception. We'll take care of the rest.
- **Music Requests:** One of the most important areas. Here you select the Dance Music for the night. Your DJ will use these as a guide for your tastes in music. He will use your selected "Must Play", "Try to Play" and "DO NOT Play" selections to ensure you hear the music YOU want to hear.
